**YOUTH PARTICIPATING
IN DANGEROUS NEW
TIKTOK CHALLENGE**

NEWS + RESOURCES

**UPCOMING TRAININGS
AND WEBINARS**

Dear Coalition Members,

Thank you for reading the September issue of the Richland County Youth Substance Use Coalition (RCYSUC) Prevention Newsletter! We'd like to keep you informed of upcoming trainings and webinars, resources, substance use prevention best practices, and recent news. The next RCYSUC meeting will be held **September 28th, 2020** via Zoom. Be on the lookout for the invite. Please also sign up to help distribute Detera Drug Packets and collect some local data by filling out this [Google Form](#). Thank you all!

YOUTH PARTICIPATING IN DANGEROUS NEW TIKTOK CHALLENGE

There is a dangerous trend going around on TikTok right now. It encourages users to consume large amounts of Benadryl in an attempt to get high and/or hallucinate. Please be aware of this trend and click [HERE](#) to learn more.

NEWS + RESOURCES

[Vaping Multiplies Risk of COVID-19 In Teens And Young Adults](#)

New research published in the Journal of Adolescent Health shows that young people who used e-cigarettes were **five** times more likely to be diagnosed with COVID-19.

[Nearly 1/3rd Of All American High School Students Used E-cigarettes In 2019](#)

According to [new data](#) from the Centers for Disease Control and Prevention (CDC), **32.7%** of high school students reported being current vapers. In addition, over half (**50.1%**) of high school students had tried an e-cigarette.

[Ohio To Receive \\$96 Million In Grants To Combat Addiction](#)

Ohio is set to receive \$96 million in federal funding to help provide local communities with the resources they need.
