

DRUG & ALCOHOL PREVENTION CONTEST

WHAT IS THE CONTEST?

- Create posters, flyers, billboard designs, artwork, videos (TikTok, YouTube, etc), haikus, or poems that have a drug/alcohol prevention message.
- Like memes? That's fair game as long as it's educational.
- Keep messages short and sweet to educate friends, family, and Richland County on the facts about youth drug/alcohol use.

WHAT'S IN IT FOR ME?

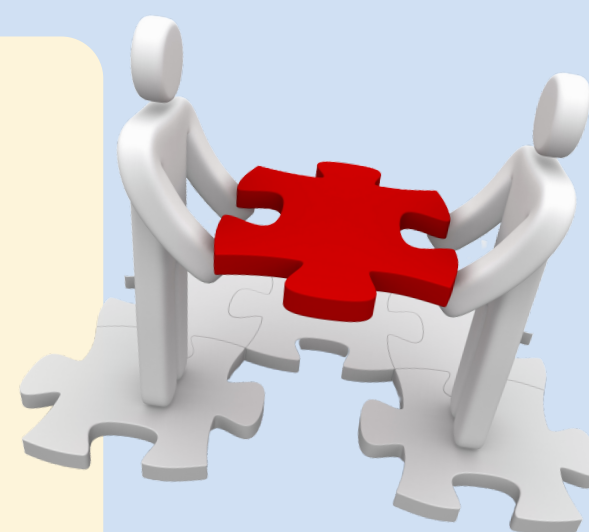

- Win prizes like \$100 gift cards, cedar point season passes, pizza (or other food) parties for your class.
 - Have your work seen and shared by Richland County agencies.
 - Learn facts about drug/alcohol use as you create different media.
- 

PARTICIPATION CRITERIA

- Use family friendly language and images.
- Must be attending elementary, middle, or high school.
- You may work alone, with a group, or your entire class if your teacher allows it!

SUBMISSION CRITERIA

- Please submit your work on drugfreerc.org/contest or email to gdeol@richlandhealth.org.
 - Include your name, email, grade, and a description of your submission. If you're working with others, include their contact info so they can be recognized too!
 - Deadline for submission is **Monday, January 31st @ 10am.**
- 

WHAT HAPPENS NEXT?

- After January 31st, submissions that met the participation criteria will be voted on by students. Pick the ones that have good prevention messages and are the best overall!
- A select few will be placed on billboards in Mansfield, others will be shared via social media, local news, on our website, and more.
- Keep the conversation going! Maybe you'd like to create t shirts, hats, or other clothing with prevention messages/memes.
- If you want to do more activities like this, consider joining the Richland County Youth Substance Use Coalition.

THIS COULD BE YOUR DESIGN!
